Dear Ms. Iffah Izzati,

I would like to convey our willingness to collaborate on your grant proposal project titled Eid Gala 2023 on behalf of IMU Muslim Society (MCS). In particular, we will assist you in carrying out the events described in the proposal, as well as acting as a solid support system for your organisation in carrying out the project..

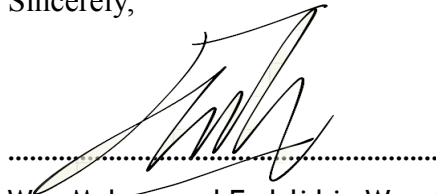

We will be able to commit around half of our effort to this project, and I am hopeful that we will be able to evenly distribute the amount of work among our club members based on time and resource availability. This collaboration, I believe, is part of our job as Malaysians, and I hope the activities fulfil their intended goals of educating local and international students about Malaysia's Malay culture. We will work relentlessly to accomplish this project on time and within budget.

We would want to meet you in person for further process and conversation, and we would like to hold a meeting with our organisation to process this collaboration.

If you have any further queries, you can reach me at 016-9424324 or through an email (00000038643@student.imu.edu.my).

I look forward to working with you on this collaboration.

Sincerely,
